

Match of the Day ?th May

This drawing was made on the ?th May 2017 while watching *Match of the Day*¹.

The heavier marks in the drawing occurred by accident, when the nib² of the pen was overloaded with ink³.

Each time such a mark appeared, a note was made of what was being said by the commentators and / or pundits⁴ on the television.

Fragments of these comments (3-5 words) were transcribed, following the Jefferson transcription system⁵, and added to the drawing as endnotes.
